

Dear families,

On Sunday, December 9, children are invited to a special holiday shopping experience during the Saltwater Church holiday bazaar. We will have a "children's store" where children can do some holiday shopping, without their parent, to allow them to purchase something for you or another family member that can be a surprise. It also gives children an opportunity to show generosity during this season, and provides some practice managing money.

There will be a variety of small items available, with most items priced \$5 or less. Adults and youth will staff the store, help children select purchases, and assist with gift-wrapping.

Donations of small items to be sold in the store are appreciated, as well as paper gift bags (we have lots of wrapping paper, but bags are easier for children to manage).

I invite you to prepare with your child(ren) for this shopping experience, by completing the following form together and bringing it on the 9<sup>th</sup>. Forms will be available on the day of the bazaar as well. Use one form per child, or have siblings work together with one form. Decide with your children if you will provide the money for the shopping, if it comes from their savings, or some combination.

If you have questions about this activity, please contact me at 206-661-0113 or [melinda@saltwaterchurch.org](mailto:melinda@saltwaterchurch.org)

Thank you,

Melinda
