

JOYFUL COMMUNITY!

It is through the creation of a *Joyful Community* that we discover our strengths and share them with one another, and foster connections and relationships that are the foundation of Saltwater Church.

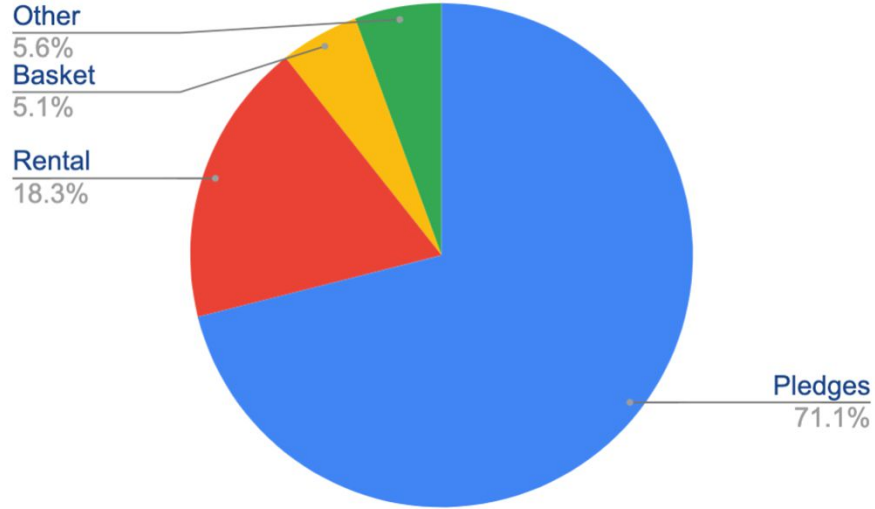

We hope that you will continue to give generously and *joyfully* through the Saltwater Pledge Drive to support our community in all of the wonderful ways that it provides connection, meaning, and change.

The Pledge Drive provides funds to help us collectively fulfill our mission by providing salaries, benefits, operations, and programming that allow our church to thrive. Last year, we made a commitment to support our church through the rising cost of inflation and to hold ourselves accountable for providing a livable wage for our minister and staff. We saw the congregation respond in an amazing way! Let us continue to share generously in this coming year.

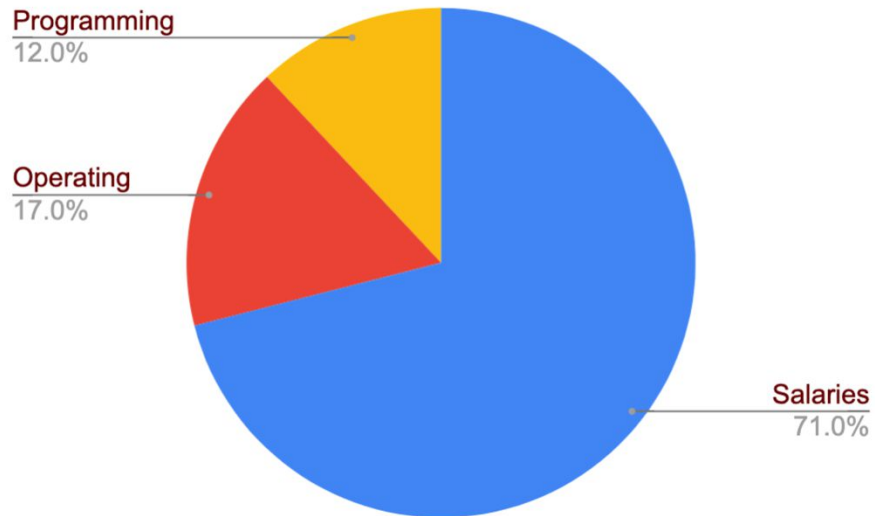

In *Joyful Community*,

The Saltwater Church Pledge Team

Income

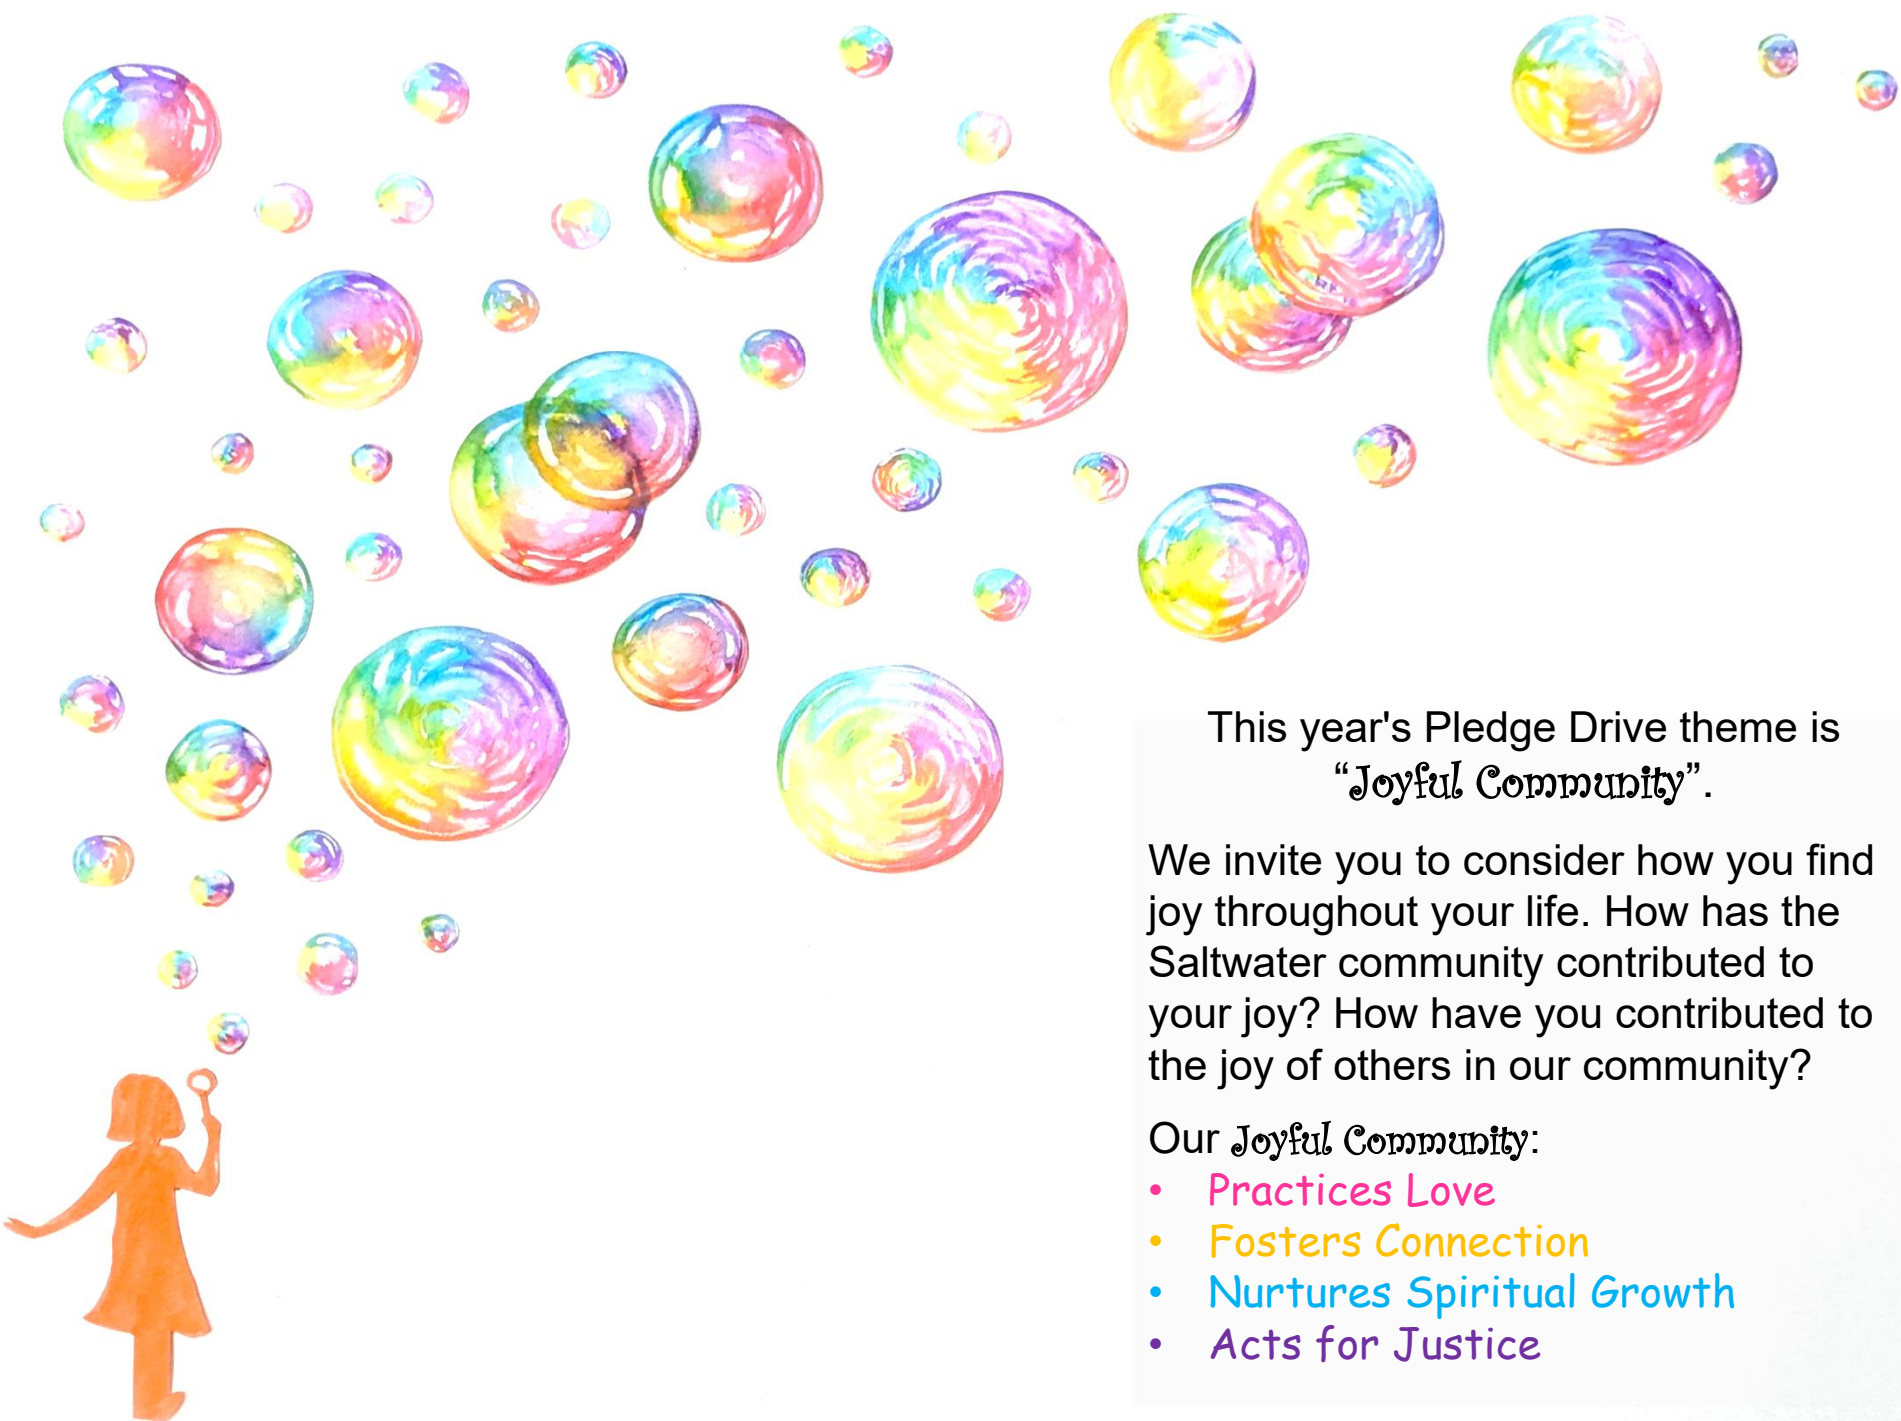

Expenses

Each spring, as members and friends of Saltwater Church, we make a promise of financial support (a pledge) for the coming fiscal year, which begins on July 1, 2024.

Income and Expenses
based on 2022-23 data

This year's Pledge Drive theme is
"Joyful Community".

We invite you to consider how you find joy throughout your life. How has the Saltwater community contributed to your joy? How have you contributed to the joy of others in our community?

Our Joyful Community:

- Practices Love
- Fosters Connection
- Nurtures Spiritual Growth
- Acts for Justice
